## 37th International Mustang Meet - Calgary

By Sig Hanson

On Tuesday August 30th, Sharon and I departed Camano Island to meet with a group of cars travelling from Vancouver, BC. We took Highway 20, stopped in Winthrop for lunch, crossed into British Columbia at Danville, and met our traveling companions in Grand Forks, BC.

The next day was a relatively short drive to Cranbrook, BC. Thursday, we drove to Calgary, AB and arrived at our hotel. Friday, we found a car wash where we washed all the road grime off the car. Sharon also found a quilt shop and proceeded to enrich the local economy.

That afternoon, we saw a large dark cloud approaching out of the west.

When I saw a lightning strike, I knew that it was time to pack the cleaning supplies into the car and get back to the hotel. It proceeded to blow, rain, and hail on all the cars. After the storm was over, it was time to start re-cleaning the car again.

The next day the weather was just perfect for a car show. There were 496 cars registered for the show. That evening, we attended a BBQ and enjoyed visiting with the many friends that we've made over the years. Sunday, we travelled to a person's private automobile collection. He even auctioned off a ride in his '66 AC Cobra and said that he would make the ride "memorable". The money that he raised with the collection viewing went to a charity that helps broken families heal.

That night, the awards banquet was held. We didn't win anything but the company and food was great. Monday morning, we headed south back to where we didn't have to convert Km/h to mph. It was a fun and safe journey and we'll see many of the same people in Helena, MT next year. Everyone is invited.
